**DECLARATION UNDER 37 C.F.R. §1.132**

Dear Sir:

I hereby declare as follows.

1. I am a named inventor of the above-identified patent application.
2. I hereby declare that I have personal knowledge of the above-identified patent application and U.S. Provisional Patent Application No. 60/201578 [ which US publication no. 20020132995 (Now US Patent No 7,115,579) has priority] as cited in the outstanding Office Action (mailed from the USPTO on September 5, 2007).

3. I hereby declare that the relevant portions of the 60/201578 application cited by the Office Action were derived from the below named inventors of the instant application and is thus not an invention by "another".
4. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements are made with the knowledge that willful false statements and the like are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
